

GUIDELINES FOR PRE-REHABILITATION SCIENCES

Master of Physical Therapy (MPT) UBC (Vancouver)

The Master of Physical Therapy degree, at the University of British Columbia, provides the professional education necessary to obtain a licence to practice physical therapy. Admission to MPT is offered on a competitive basis with **140 seats** available each year, including 7 seats designated for Indigenous applicants and up to 8 seats for international applicants. The program is offered at four locations:

MPT-Vancouver 80 seats	MPT-North (Prince George) 20 seats	MPT-Fraser Valley (Surrey) 20 seats	MPT-Victoria 20 seats (beginning Fall 2024, pending approval)

It is imperative that all prospective applicants refer to the UBC website for a complete list of academic and non-academic criteria: physicaltherapy.med.ubc.ca/prospective-students-2/mpt-admissions/

Completion of a four-year recognized bachelor's degree (120 credits) in any field with a minimum overall average in the 76% (UBC converted scale) range in all senior level (3000/4000) courses and completion of the stated prerequisites with a minimum grade of 72% (UBC converted scale) in each course.

TRU offers an opportunity to qualify with admission into one of the open programs, Bachelor of Arts or Bachelor of Science.

Requirements (UBC)	TRU Equivalencies	TRU Prerequisites/Co-requisites
